Astral Workspace: who does what, and where

The project flow and the screens each role uses — Partners, HR, Accounts, Managers, Team leads and Staff · October 2026

Six groups of people use the app

Your designation decides which menu items you see. Admins can change this in Settings › Access Control.

Partners & Directors

Run the firm. See every screen, sign off audits and billing, set up access.

Main screens: Audit Dashboard · Reports · Settings

HR Head & HR

People records, attendance, leave, helpdesk tickets and payroll inputs.

Main screens: Employees · Team Attendance · HR Tickets

Accounts Head & Accounts

Approve and reimburse expenses, raise invoices, track collections.

Main screens: Expense Approvals · Billing & Invoices

Senior Managers & Managers

Set up audits, assign the team, approve time, leave and expenses.

Main screens: Engagements · Team Workload · Approvals

Senior Consultants (team leads)

Lead fieldwork, review work when set as reviewer, approve their team.

Main screens: My Work · Engagements · Leave Approvals

Consultants, Junior Consultants & Associates

Do the audit work, run the timer, submit timesheets, raise requests.

Main screens: Dashboard · My Work · Timesheets

How an audit moves from client to invoice

Eight steps. Managers set it up, staff do the work and log time, Accounts and Partners bill it.

1 Client

Add the company you audit

Manager
Audits › Clients

2 Project

Optional folder for a client's audits in a year

Manager
Audits › Projects

3 Engagement

The audit job: type, deadline, budget hours, team

Manager
Audits › Engagements

4 Tasks

The active Audit Checklist's steps become tasks

Automatic
Audit Checklists

5 Assign

Owner and reviewer for each task

Manager
Engagement page · Team Workload

6 Work & time

Start / Stop the timer on a task

Staff
Audits › My Work

7 Approve

Reviewer approves tasks; manager approves the week

Reviewer · Manager
Audits › Timesheets › Approvals

8 Bill

Invoices from fees and approved time

Accounts · Partner
Audits › Billing & Invoices

Everyday requests and who approves them

Every request starts from the person’s own screen and lands in an approver’s queue.

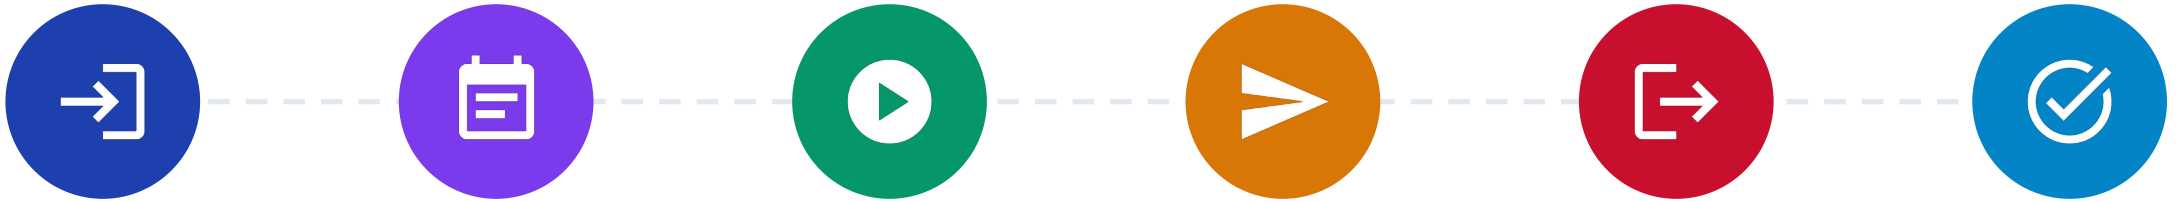

Request	Raised from	Approved by	Approver’s screen	What happens next
Leave	Leave › Apply Leave	Team lead / manager (HR can too)	Leave › Approvals	Balance updates; shows on the team calendar
Missed punch	Attendance › Regularization	Team lead / manager	Attendance › Regularization	Attendance record is corrected
Expense claim	Expenses › My Expenses	Manager or Accounts	Expenses › Approvals	Accounts marks it Reimbursed
Timesheet (week)	Audits › Timesheets › Submit week	Engagement manager	Audits › Timesheets › Approvals	Only approved time is billed
HR question	HR Helpdesk › Raise a ticket	HR (assigned owner)	HR Helpdesk › HR Tickets	Resolved → Closed, or Reopened

Staff: Consultants, Junior Consultants & Associates

Check in, do the audit work with the timer running, submit the week, and raise your own requests.

A day in the life of a staff member

Six moments, all inside the app.

Arrive

Check in on the Dashboard: Office, Home or Client site. Location is recorded.

Plan

Open My Work: what's due today, overdue, or waiting for your review.

Work

Press Start on a task. One timer runs at a time.

Hand over

Submit the task for review. The reviewer approves or asks for changes.

Leave

Stop the timer and check out. Forgotten timers stop at 7 PM.

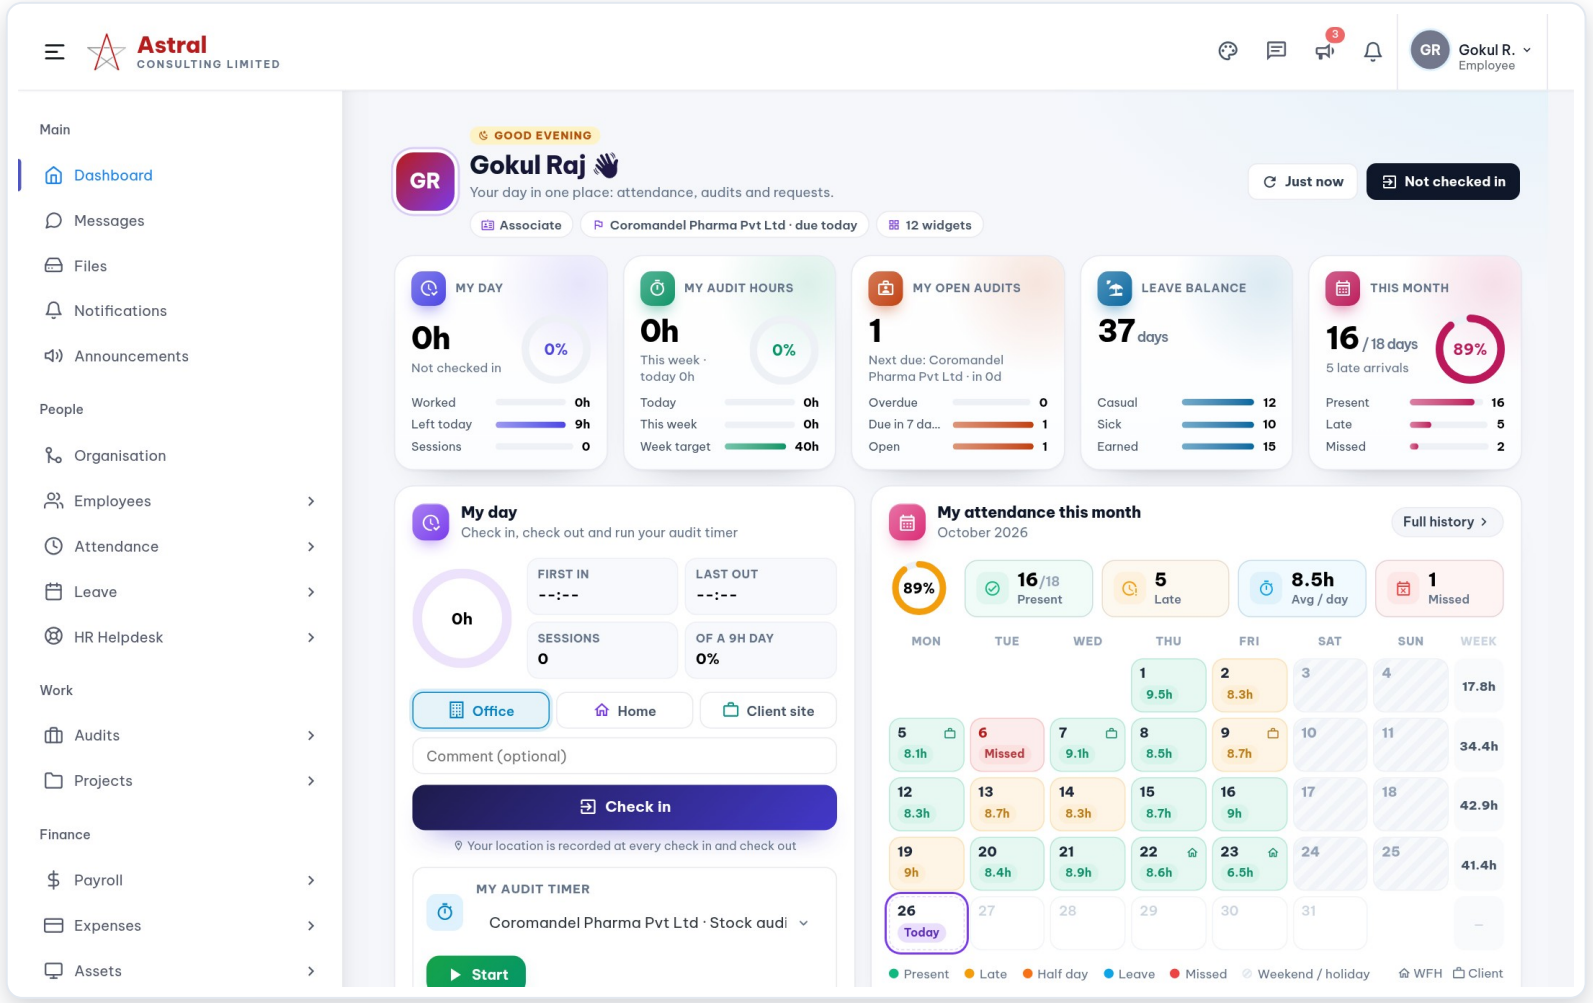

End of week

Timesheets › Submit week. Your manager approves it.

Tip Forgot to start the timer? Use Timesheets › Add time to log it by hand, before you submit the week.

Dashboard: your day on one page

Opens after sign-in. Everything a staff member needs most is here.

1 **Check in / out**
Pick Office, Home or Client site. Hours worked today fill the ring.

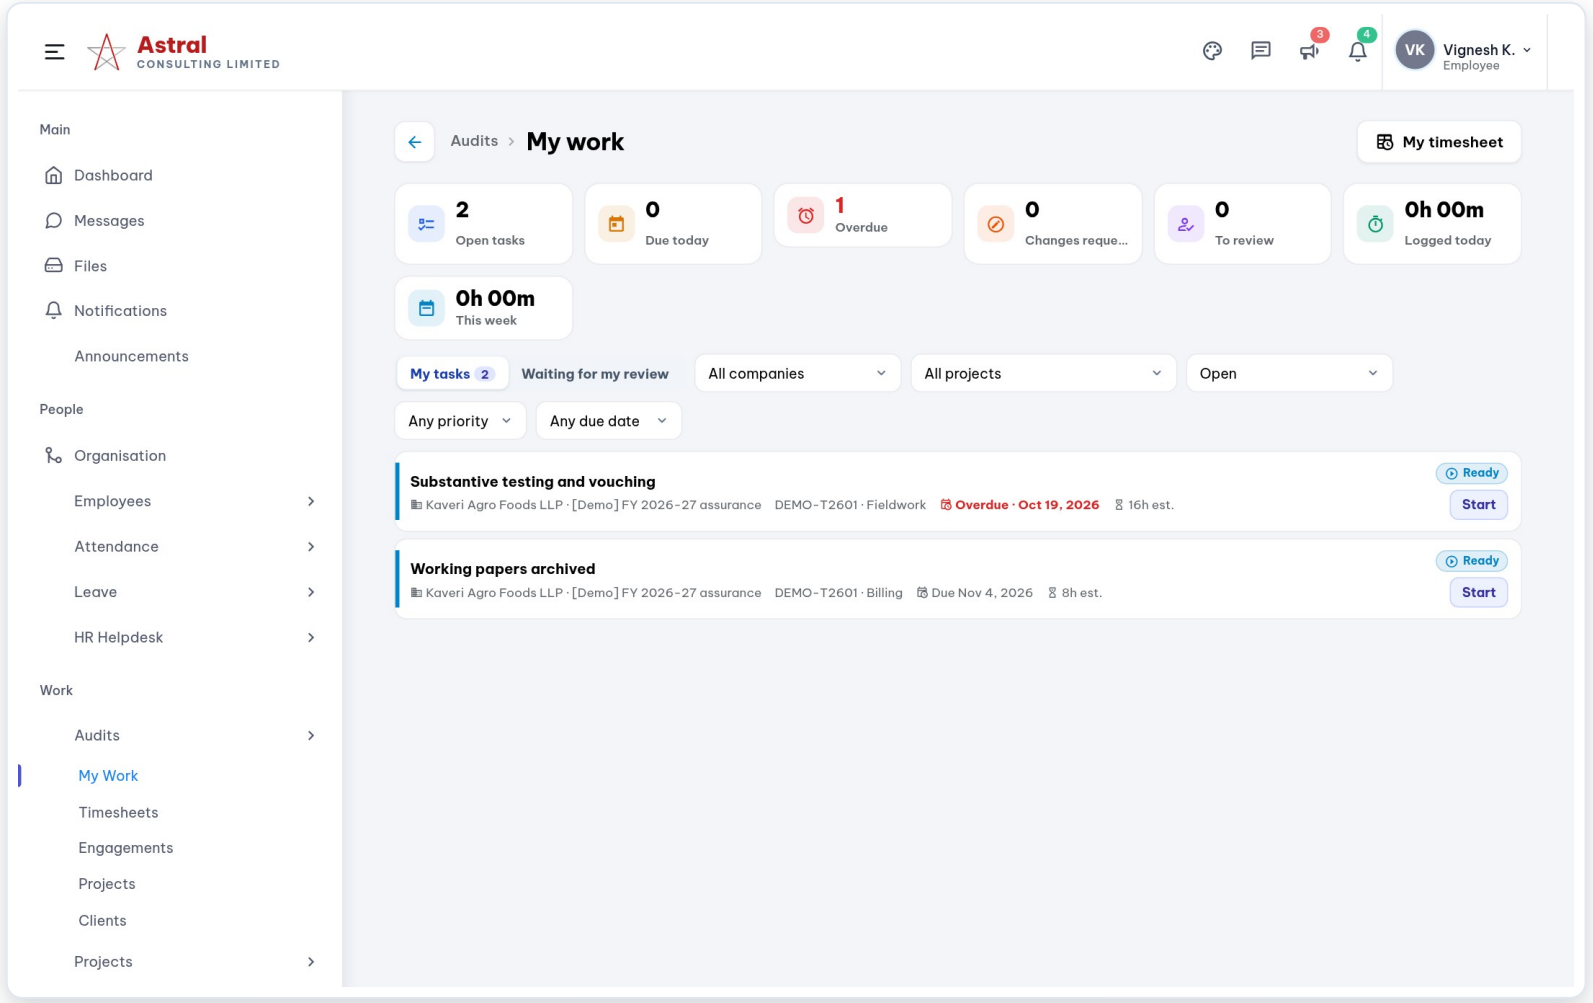

2 **Five quick tiles**
My day, audit hours, open audits, leave balance and this month's attendance.

3 **My audits**
Your open audits with a Start button to begin the timer.

4 **Month calendar**
Each day shows hours worked or Late, Leave, Missed.

My Work: your task list across all audits

Audits › My Work

1. **Counters at the top**
   Open, due today, overdue, changes requested, to review, time logged.

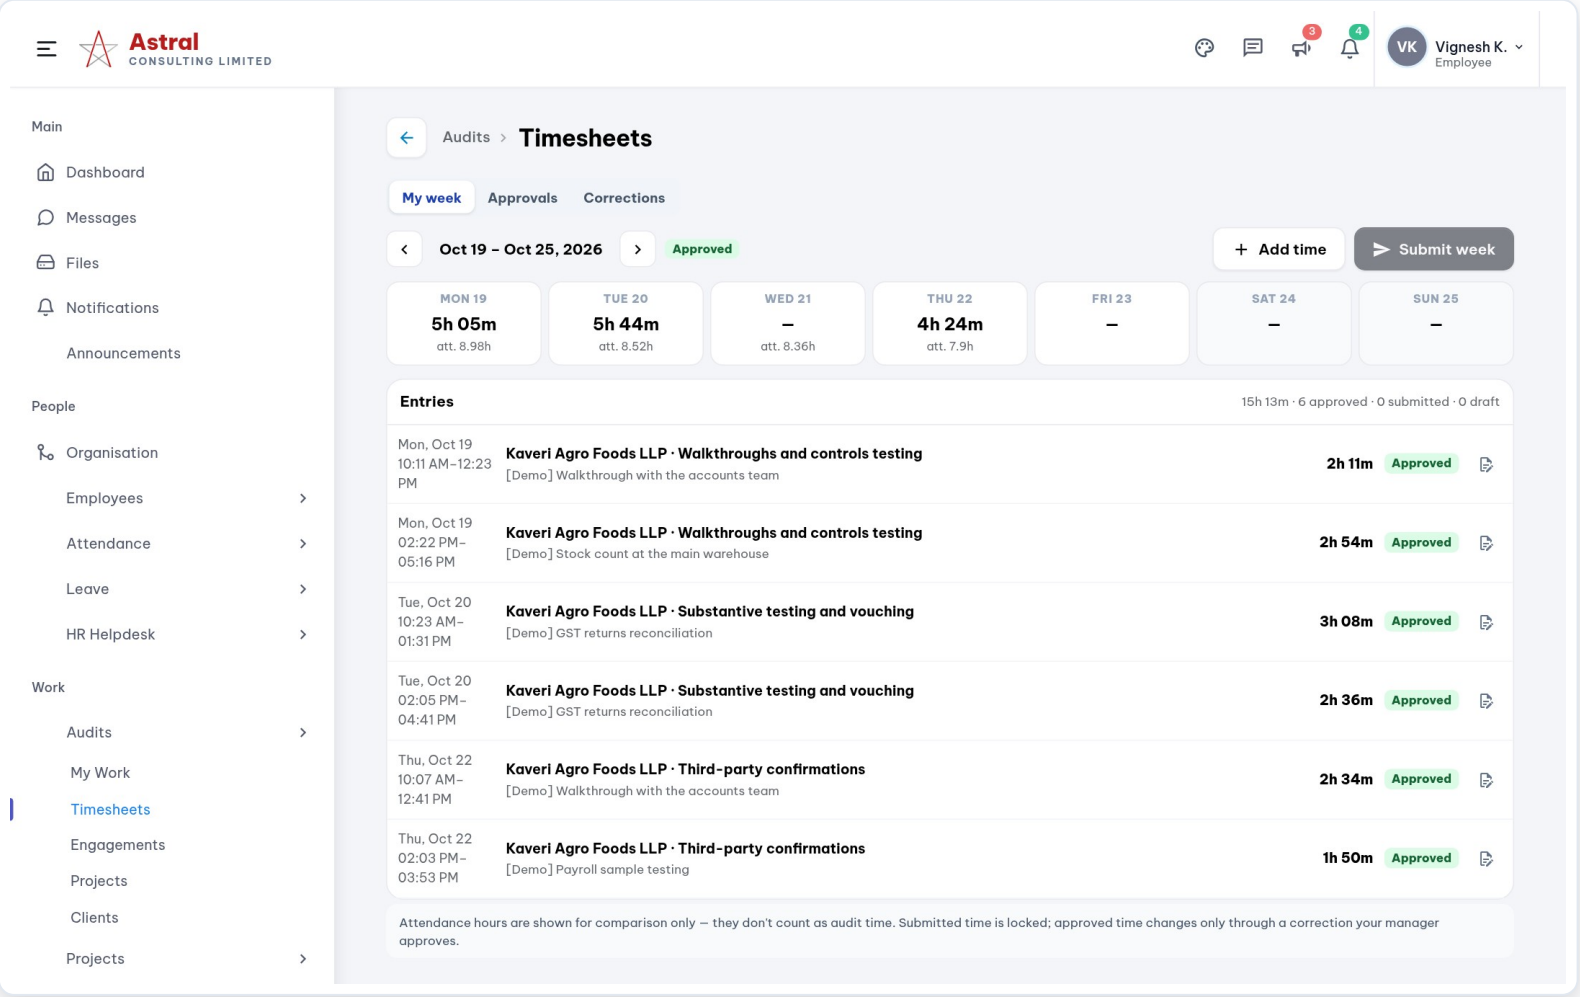

2. **My tasks / Waiting for my review**
   Switch between work you own and work you review.

3. **Start**
   Starts the timer on that task. The task page opens with the details.

4. **Filters**
   Company, project, status, priority and due date.

Timesheets: check and submit your week

Audits › Timesheets

1 Day strip
Audit time per day, with attendance hours underneath to compare.

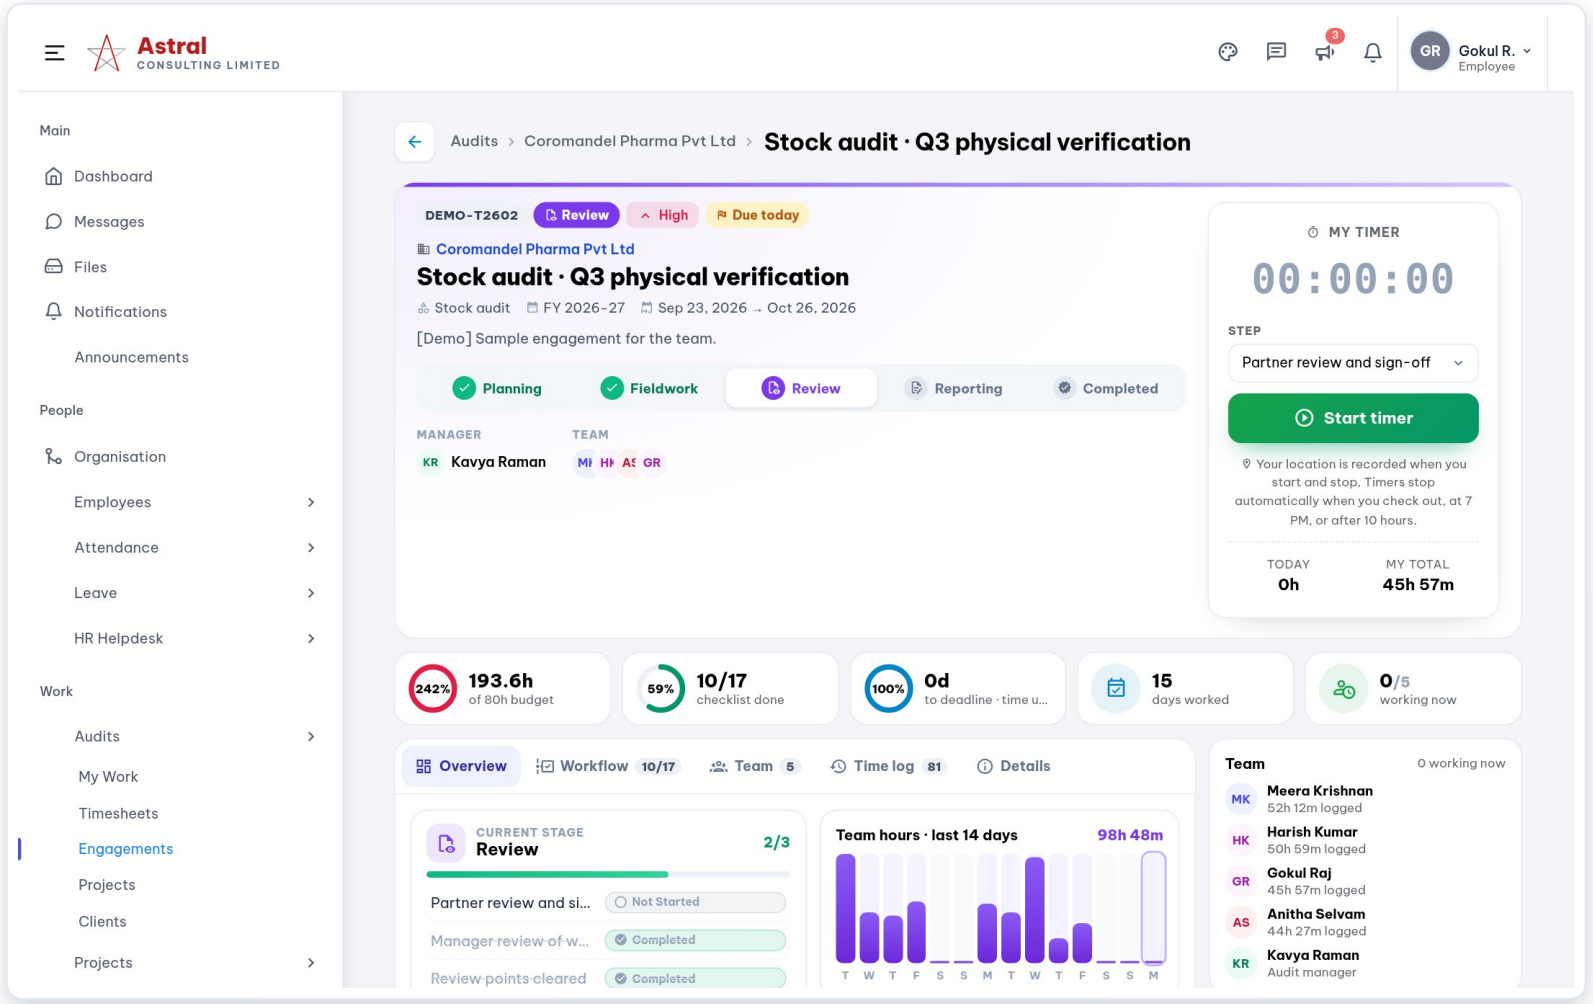

2 Entries
Every timer session or manual entry and its status.

3 Add time · Submit week
Log missed work, then submit. Submitted time is locked.

4 Corrections
Ask for a change to time that is already approved.

The audit (engagement) page

Audits › Engagements › open an audit

1 Header
Client, audit type, stage, deadline and priority.

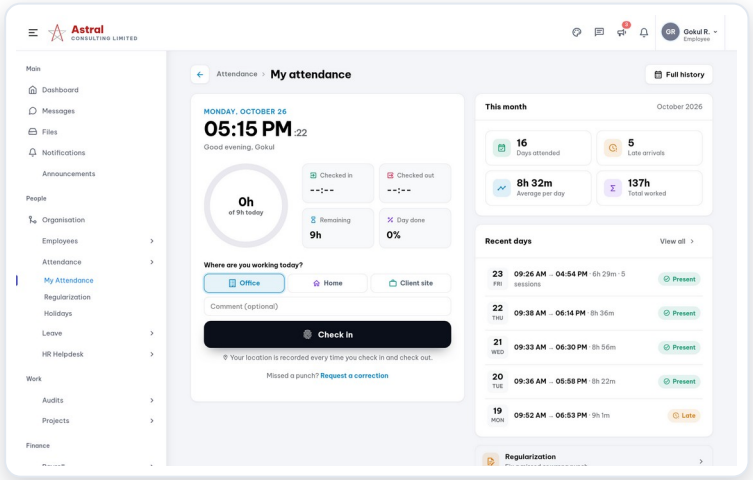

2 My timer
Pick the workflow step and press Start timer.

3 Progress
Hours against budget, tasks done, days to deadline.

4 Tabs
Overview, Workflow, Team, Time log and Details.

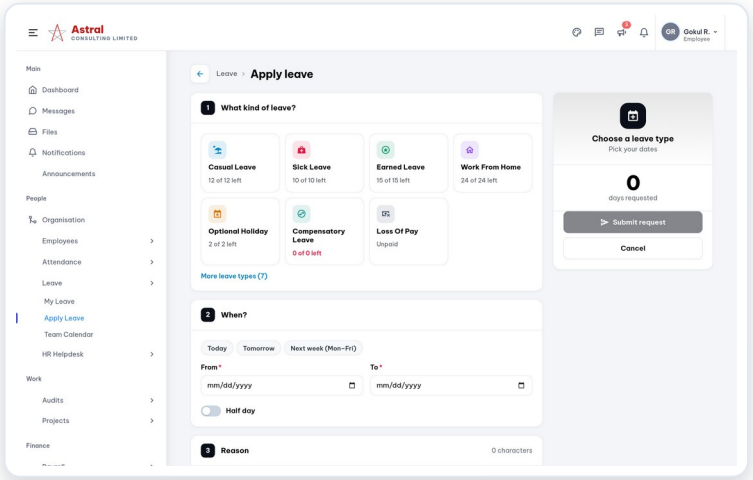

Self-service: attendance, leave, expenses, helpdesk

No forms to email. Each request is tracked until it is approved or resolved.

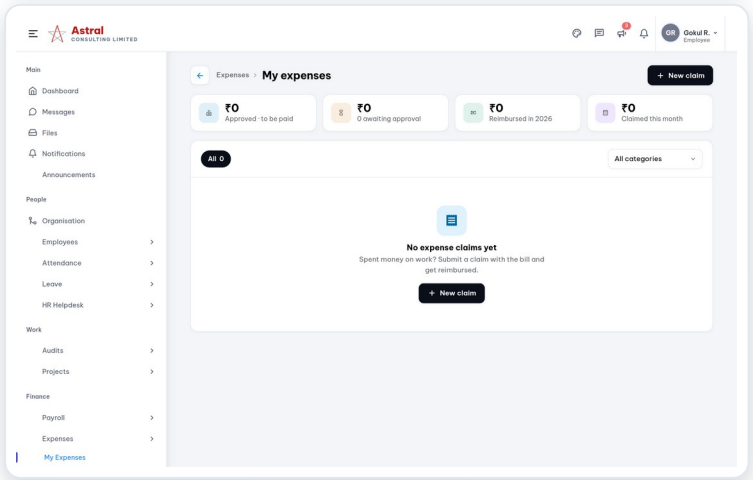

My Attendance

Attendance › My Attendance

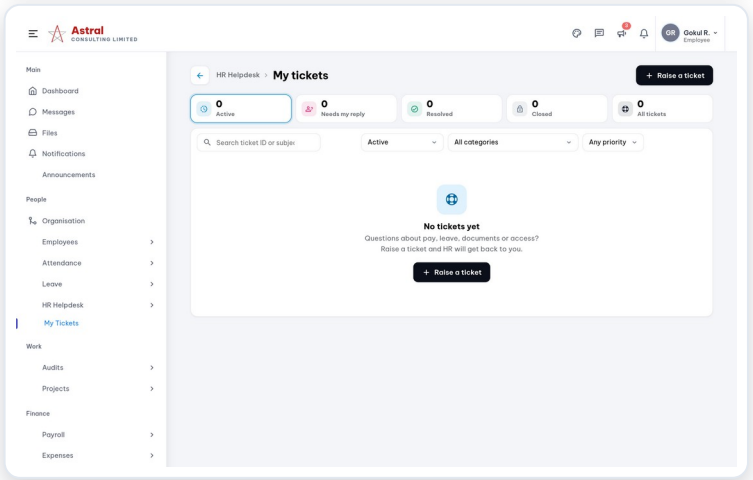

Apply Leave

Leave › Apply Leave

My Expenses

Expenses › My Expenses

HR Helpdesk

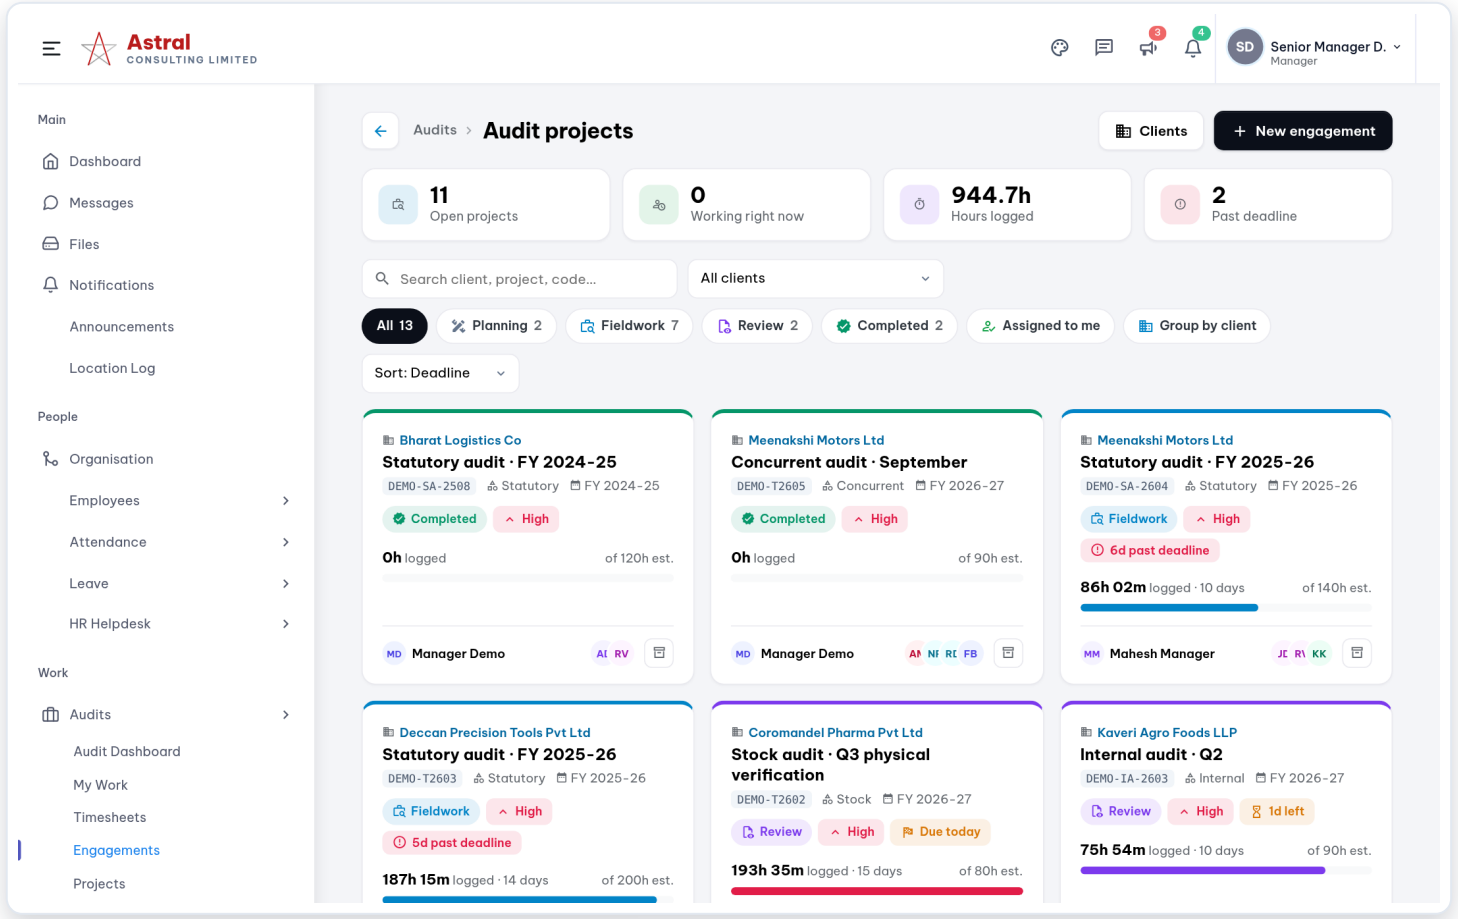

HR Helpdesk › My Tickets

Managers & team leads

Senior Managers and Managers set up audits and keep the team balanced. Senior Consultants lead fieldwork and approve their team.

Setting up a new audit

Audits › Engagements › New engagement

1. **Pick the client**
   and optionally a project. Add a new client from the same form.

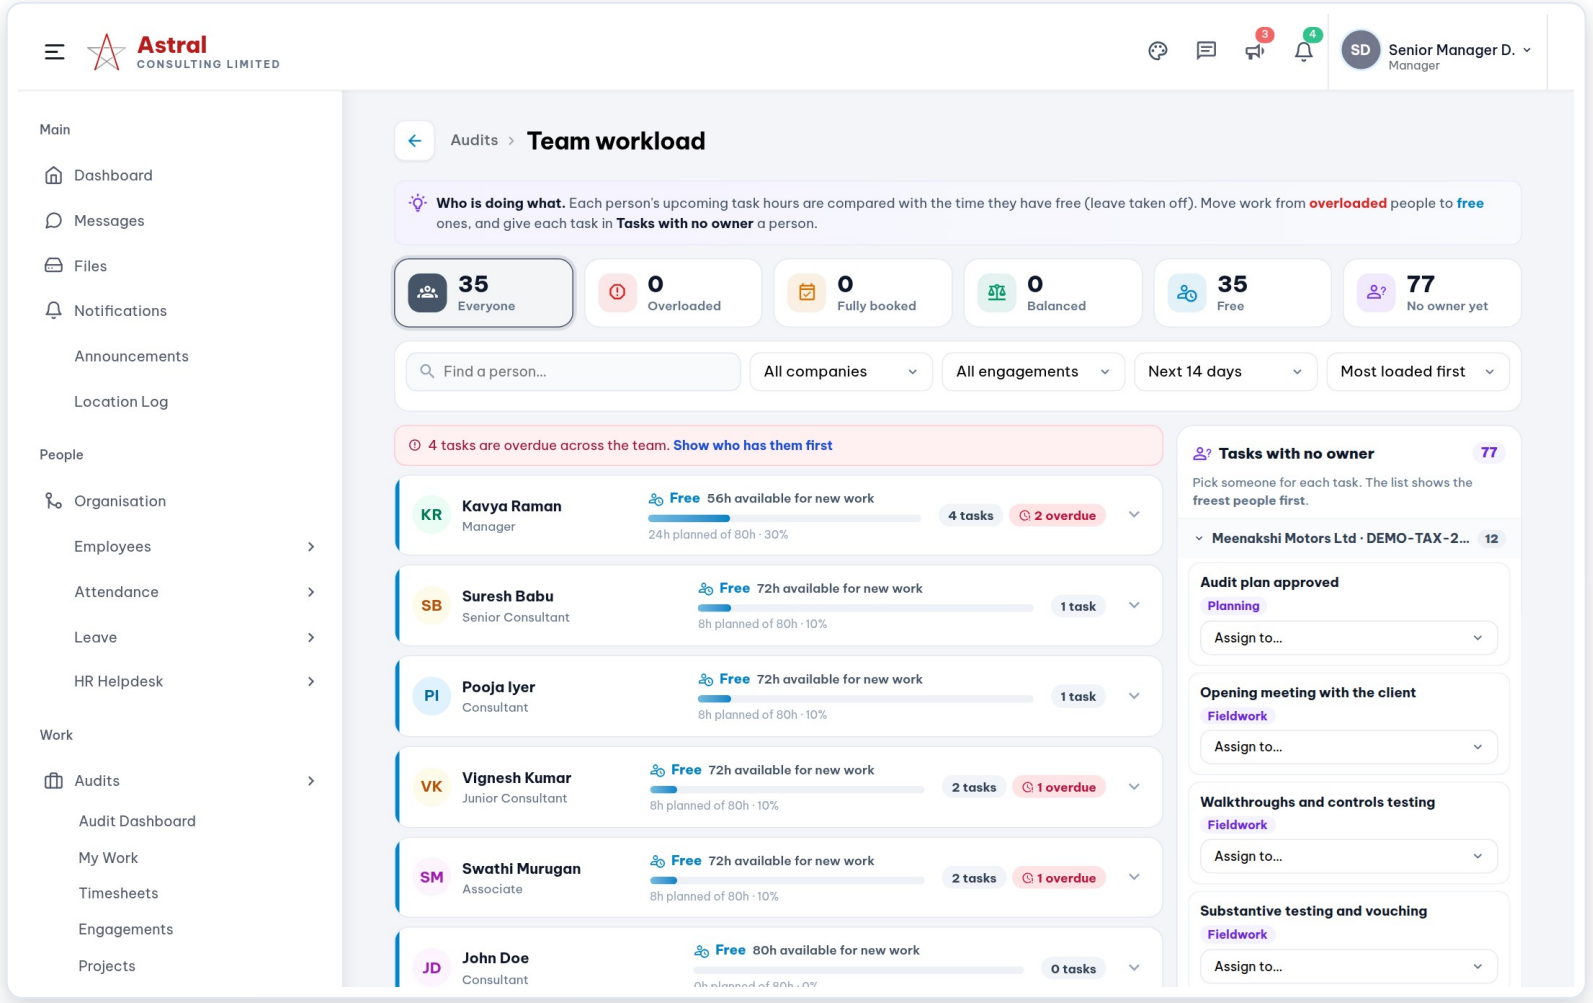

2. **Fill the basics**
   Audit type, financial year, deadline, budget hours and fee.

3. **Choose the checklist**
   Leave it on Automatic to use the best match.

4. **Add the team**
   Then set an owner and reviewer for each task.

Team Workload: who is free, who is overloaded

Audits › Team Workload

1. **Tiles = filters**
   Overloaded, Fully booked, Balanced, Free and tasks with no owner.

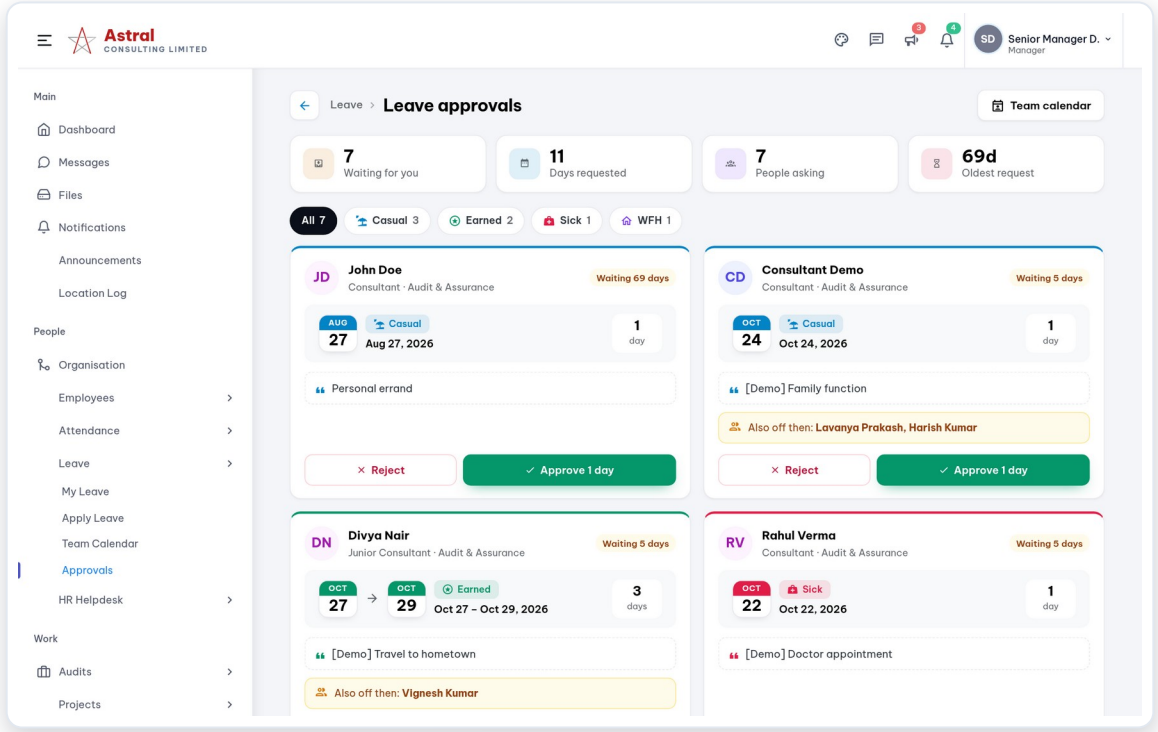

2. **Each person**
   Upcoming task hours against the time they have free (leave taken off).

3. **Move a task**
   Open a person and reassign a task to someone freer.

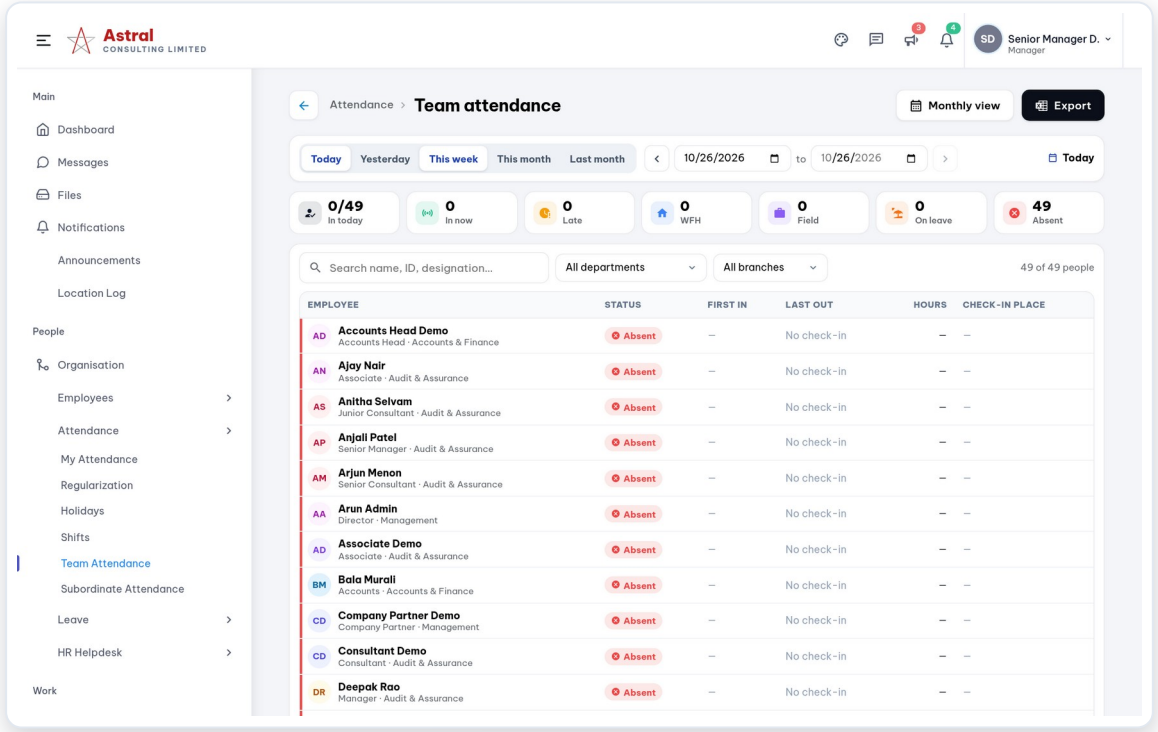

4. **Tasks with no owner**
   Pick a person; the freest people are listed first.

Approving your team

Leave › Approvals and Attendance › Team Attendance. Timesheets › Approvals works the same way.

Leave approvals Approve or reject with one click; clashes with teammates are flagged.

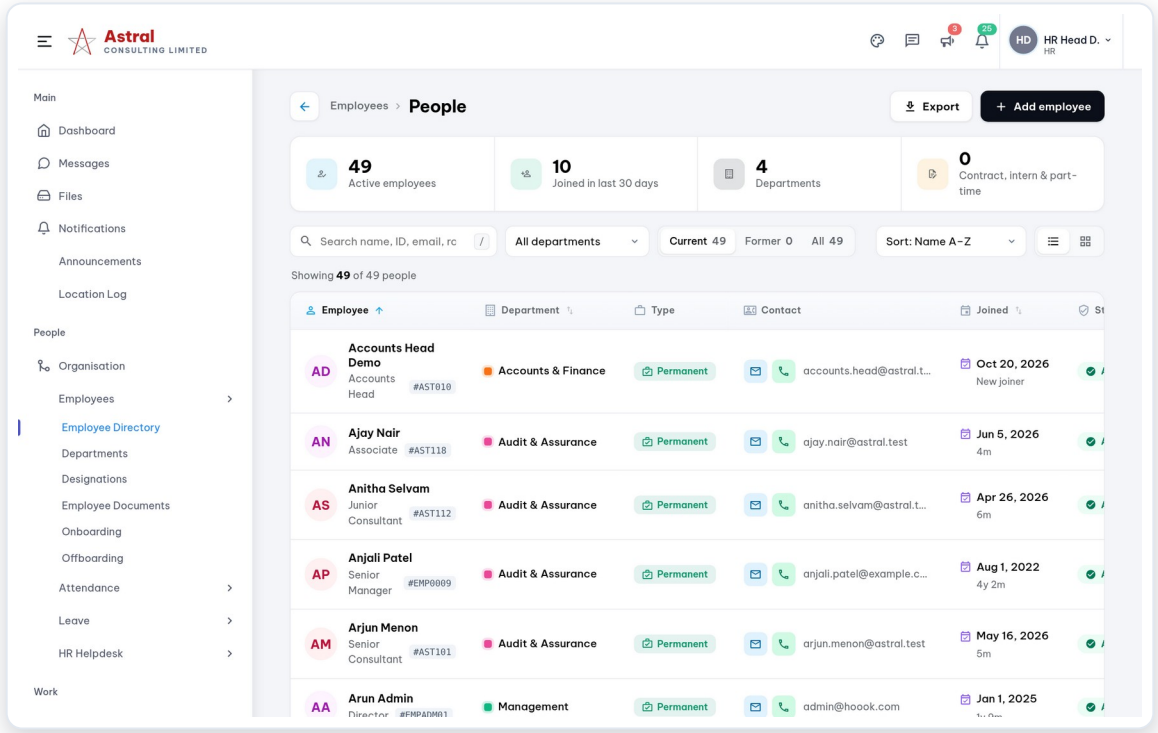

Team attendance Who is in, late or absent for any date range; export to Excel.

HR Head & HR

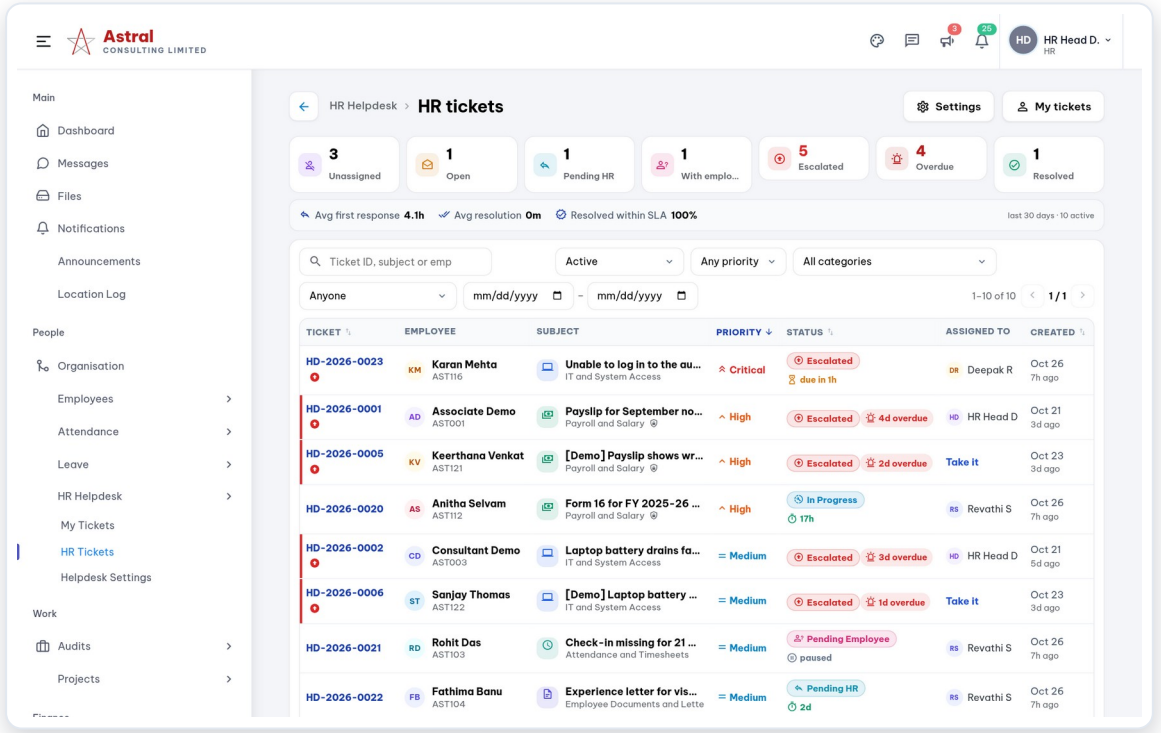

Own the people records, attendance and leave rules, the helpdesk, and payroll inputs.

HR: people, attendance and the helpdesk

Employees › Employee Directory and HR Helpdesk › HR Tickets

People Add employees, onboarding and offboarding, documents, departments, shifts and holidays.

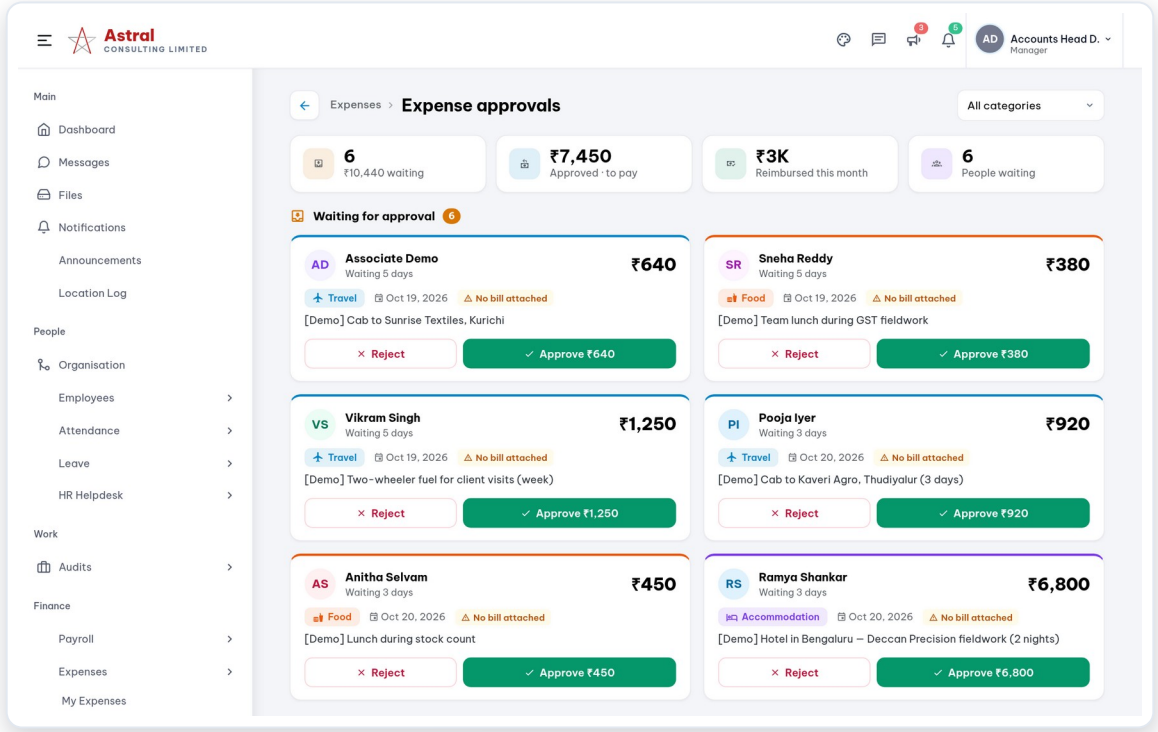

Helpdesk Assign tickets, reply or add internal notes, watch SLA timers and escalations.

Accounts Head & Accounts

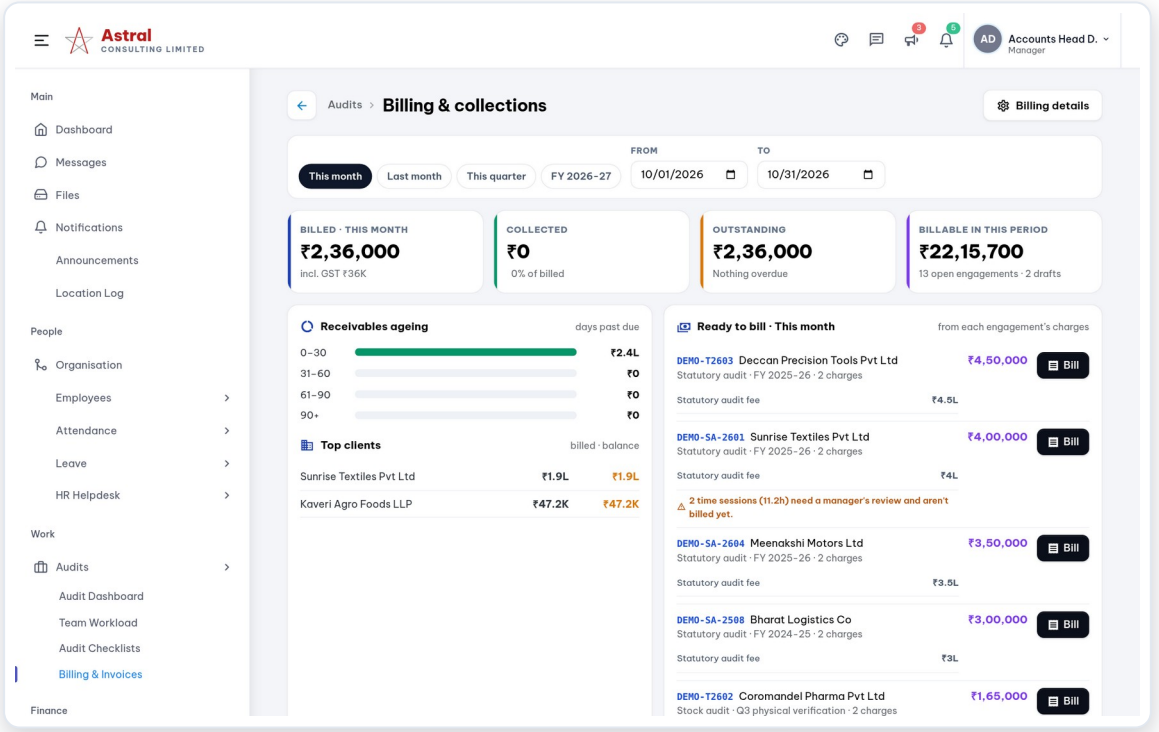

Approve and reimburse expenses, raise invoices from approved work, and follow up collections.

Accounts: expenses and billing

Expenses › Approvals and Audits › Billing & Invoices

Expense approvals Approve or reject each claim, see the bill attached, then mark it Reimbursed.

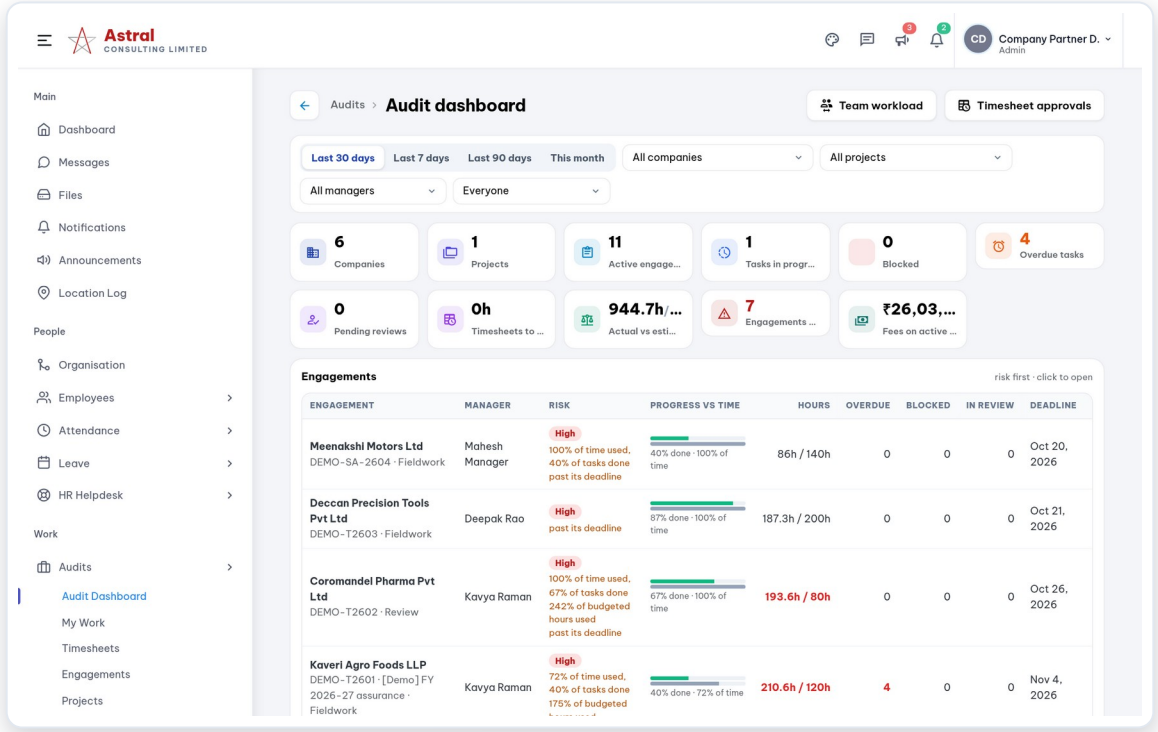

Billing & collections Ready-to-bill list per engagement, invoices, receivables ageing and payments.

Partners & Directors

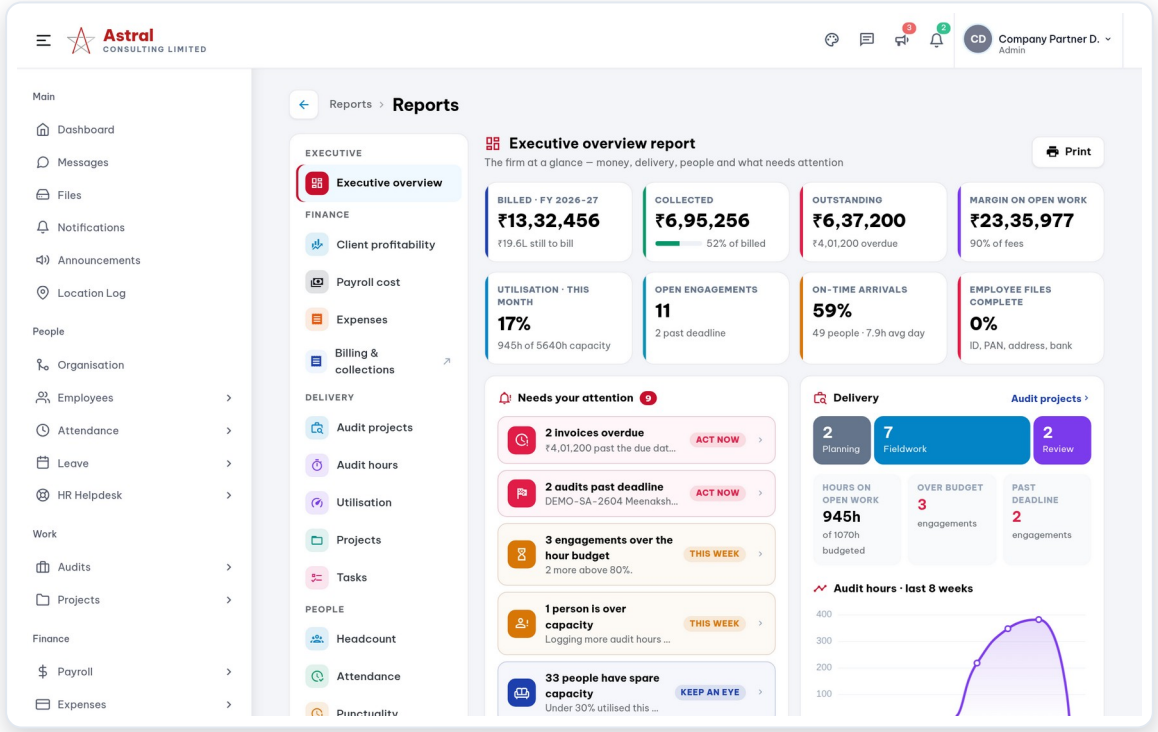

See every screen. Watch delivery and money across the firm, and control who can see what.

Partners: the firm at a glance

Audits › Audit Dashboard and Reports › Executive overview

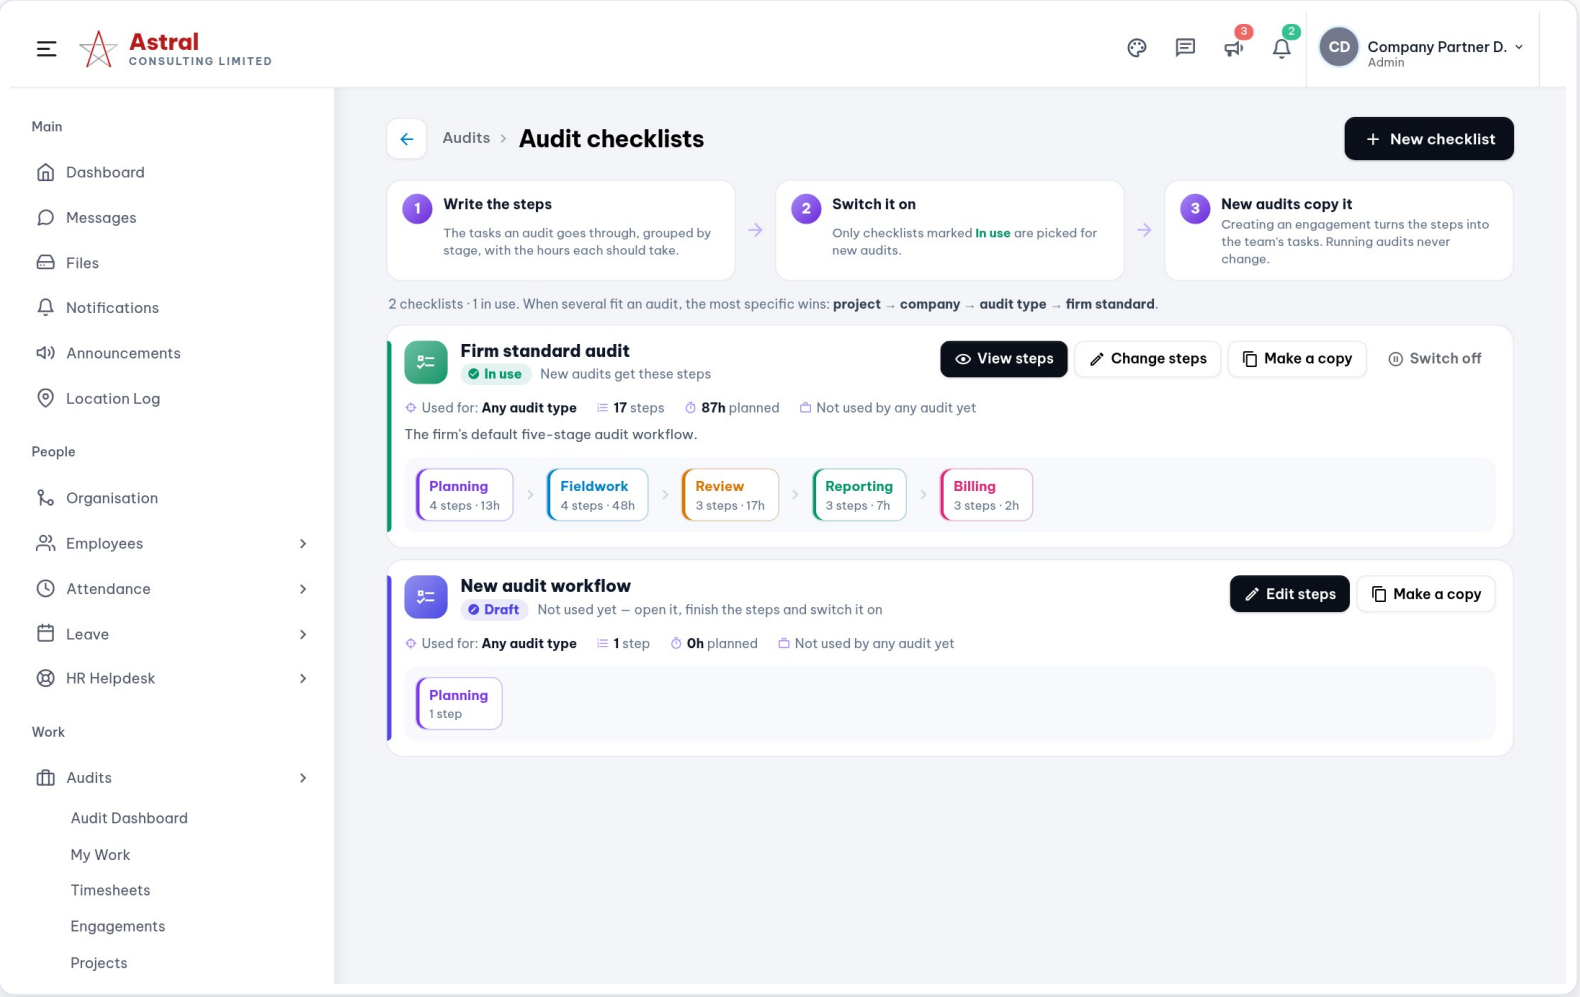

Audit Dashboard Every engagement's risk, hours against budget, overdue and blocked work.

Reports Billed, collected, outstanding, margin, utilisation and punctuality.

Audit Checklists: the standard steps for every audit

Audits › Audit Checklists (Partners, Directors, Heads, Managers)

1 **Write the steps**
Tasks grouped by stage, with the hours each should take.

2 **Switch it on**
Only checklists marked In use are picked for new audits.

3 **Most specific wins**
Project, then company, then audit type, then the firm standard.

4 **Safe to change**
Edits make a new version; running audits keep their copy.

Who sees which screen: people & time

Taken from the live access settings, one real user per designation

Screen	Partner / Director	HR Head	HR	Accts Head	Accounts	Sr Manager	Manager	Sr Consultant	Staff*
Dashboard, Messages, Files, My Profile	✓	✓	✓	✓	✓	✓	✓	✓	✓
Employee Directory	✓	✓	✓	✓	✓	✓	✓	✓	–

What each status means

The same words appear on every screen.

Audit task

Not Started › Assigned › Ready › In Progress › Submitted › Under Review › Approved › Completed

Side states: Blocked, Changes Requested (back to the owner), Cancelled

Timesheet entry

Draft › Submitted › Approved

Or Rejected: fix it and submit again

Expense claim

Pending › Approved › Reimbursed

Or Rejected

Leave & missed punch

Pending › Approved

Or Rejected; leave can also be Cancelled

Helpdesk ticket

Open › Assigned › In Progress › Pending Employee / HR › Resolved › Closed

Side states: Escalated, Reopened, Rejected

Where do I…?

The quickest path to the things people ask about most.

Check in or out	Dashboard › My day
Fix a missed punch	Attendance › Regularization
Apply for leave	Leave › Apply Leave
Start audit work	Audits › My Work › Start
Log time I forgot to time	Audits › Timesheets › Add time
Submit my week	Audits › Timesheets › Submit week
Claim an expense	Expenses › My Expenses › New claim
Ask HR a question	HR Helpdesk › Raise a ticket
Download my payslip	Payroll › My Payslips
Create an audit (managers)	Audits › Engagements › New engagement
Rebalance the team (managers)	Audits › Team Workload
Bill a client (accounts, partners)	Audits › Billing & Invoices

Don’t see a screen you need?

Ask a Partner or Director to grant it in Settings › Access Control. Changes apply the next time you sign in.
